REGIONS BEYOND: Current news reports from northern Africa and the Middle East are filled with challenges. In the midst of the conflict, there is unprecedented openness for the gospel. We are able to hold open-air crusades, preach the gospel live over television and radio, and start new churches. All of this is accomplished with government permission in Islamic countries. We appreciate your prayers and support that make it possible for us to preach the name of Jesus.

Pastors and church leaders gather for intensive teaching as they prepare for the harvest of souls

Ethiopia Pastor's Conference: Our ministry includes three distinct geographical, cultural and tribal areas of Ethiopia. The recent conference took place deep in the mountains of southern Ethiopia where there are approximately 125 churches among a tribe that, until 40 years ago, were slaves to the dominant tribe in the area. Under slavery they lost their rights, including the right to attend church. Today, revival is occurring in the forgotten tribe.

THE REGIONS BEYOND. . . TV Program in Islamic Country . . . For three years Regions Beyond has sponsored a thirty minute weekly, prime-time TV broadcast live over the national television station. The opportunity for the program began when Bruce was invited to appear live on the prime-time national news during the Russian-Georgian war. Comments from Presidents Bush and Putin on the war were aired before and after Bruce was interviewed. The reporter gave Bruce an advance list of questions, but did not ask the prepared questions. Bruce began to speak of Jesus being the only hope for peace and welfare of a country and then gave a live salvation call over Islamic airwaves. The station subsequently requested a weekly program. **More than 3,000,000 people** receive a clear gospel message which is broadcast live within country. Please continue to pray for this incredible opportunity for the gospel and for Bruce as he ministers on the program this month.

Northern Africa Crusade & New Church

One of the open-air crusades to be conducted in an Islamic area of northern Africa will occur in August. *xxxxx* is increasing their activity in the Islamic areas where we minister, making it vital that we continue to evangelize and start churches in these volatile regions. The summer months are often challenging for us financially and we do not currently have the August crusade funded. The cost for each crusade is around \$7,000 which includes broadcasting the crusade live on national media. Please pay about a special offering to help us bring the gospel to Muslims.
