REGIONS BEYOND: During a recent crusade in an Islamic country in northern Africa, people traveled from far-away villages to the crusade location. In addition to establishing a new church, we received many requests to travel to the villages to tell them more of Jesus and to start new Christian works.

The pastors and leaders faced a logistical challenge as there is no regular transportation service to the villages. Thanks to your generosity, we have provided four new motorcycles to the churches so the pastors can travel to the “regions beyond” in the Sahara Desert.

In addition to training pastors, we regularly hold outdoor crusades and preach over national television and radio. In North Africa we are starting churches in areas where there is no Christian influence.

Our ministry schedule is extremely busy with crusades and pastor’s training seminars scheduled for several locations in northern Africa, the Middle East, former Soviet Union, Ethiopia and Sudan.

Thank you for your continued prayers and support.
