CRUSADE UPDATE: I have just completed an open air crusade and the establishment of a new church in an Islamic country in Northern Africa. With only eight days between the conclusion of this ministry and my departure to the former Soviet Union, this newsletter is, out of necessity, brief.

More than 1,500 Muslims responded during the crusade services by running to the altar as the invitation for salvation was given. The week after the crusade, people continued to show up every night as the news traveled throughout the region.

The crusade services were broadcast live over regional radio, making it possible for those in remote villages, as well as throughout the city, to hear the gospel. National radio and television stations reported on the meetings as the news of Muslims running to Jesus and of miracles spread throughout the country.

In one service alone, two deaf people were healed, a mute spoke, a crippled person walked and a blind woman received sight. Every night of the crusade experienced similar miracles as a testimony to the power of Jesus to save.

One of the more remarkable aspects of the meetings was similar to the incident reported in Acts 19:15. There were the reports of people returning to their homes only to have demonic spirits cry out “*why have you brought Bruce home with you?*” Entire families then fell to the ground and were simultaneously delivered and saved by the power of God.

I will be in the former USSR when you receive this newsletter. In addition, we have pastors conferences and evangelism meetings in Egypt and Ethiopia during October and November. Please continue to pray for my physical safety and strength during this extremely busy period.

Thank you for your generous financial gifts that make it possible for us to continue preaching where Christ is not known.
